How to Register

To place your scrip orders, you need to first create a ShopWithScrip[®] account. Go to www.shopwithscrip.com and click on the 'Register' button at the top of the page. Next, click 'Join a Scrip Program.' You will then need to enter our organization's unique enrollment code. This code allows the ShopWithScrip system to link your account activity with our organization.

Next, fill in all the required information and click 'Register.' You will be asked to select two challenge questions and provide answers, which will be required if you forget your password. Keep in mind that your answers are case-sensitive.

Using ShopWithScrip.com

You can manage your account through your Dashboard, which you can access by clicking the 'Dashboard' link at the top of any page. From here, you can check your account activity, change your profile and password, add, remove, and modify organizations you belong to, and read coordinator announcements. You can also run your own order and rebate history reports and view or print any ScripNow[®] eCards that you've previously ordered.

It's Easy to Order

You can login and place orders a few different ways:

Shop Tab: Looking for a gift? Not sure what's available? Click 'Shop' at the top of the page and use this feature to sort products and browse by category, card type, or rebate percentage.

Express Order: Know exactly what you want? Quickly add the items to your cart using this feature.

Shopping Lists: Order the same products each week? Add these items to a shopping list for easy ordering, then set reminders so you get an email when it's time to place another order.

Reload & ReloadNow

What is Reload?

Don't toss that gift card- Reload it! When you use the Reload option on ShopWithScrip.com, you can add funds to existing gift cards purchased through our program instead of waiting for a new card. You'll earn the same rebate you normally would for that brand, plus, you get to choose the denomination!

When you pay for your Reload order with the PrestoPay™ online payment method, your funds will be available by the morning of the next business day.*

For select brands, the Reload option will be listed as ReloadNow.® This means that your funds will be available to use instantly when you pay with PrestoPay.

How to Order:

- Log on to your ShopWithScrip® account and select the brand of the card you wish to Reload.
- The first time you Reload a card, register it by entering the card number.
- Name your card for future Reload orders. You will be able to select your card by name from a dropdown menu the next time you Reload.
- Choose any denomination you would like between the listed minimum and maximum.
- Pay with PrestoPay to have funds added to the card overnight.
- Redeem your gift card, and continue to reload funds onto it as needed!

The Online Payment Service from ShopWithScrip.com!

Pay for your scrip gift cards online with PrestoPay™, the convenient payment system available on ShopWithScrip.com. When you use PrestoPay, your order payment is transferred securely via electronic debit. You won't have to drop off any more checks!

PrestoPay is not a credit card system, because credit cards charge fees that are costly for our scrip program. Instead, PrestoPay uses the same electronic payment transfer used by direct deposit systems. It's easy to use, and easy to get started!

Simply log into your ShopWithScrip® account, click on the PrestoPay link under Family Functions on your Dashboard, and enter your checking account information. Complete the steps to verify your information, and you will receive a secure approval code to share with your scrip coordinator. That's it! You will then be able to choose the PrestoPay option when you check out on ShopWithScrip.com, and have your payment securely transferred from your checking account right to our organization. A small \$0.15 convenience fee will apply to each order.

For more information about this online scrip payment system, view the instructional videos found on the same PrestoPay page on your ShopWithScrip account.
